

**Stella Z., age 17**  
**2025 Chaffee County Youth of the Year**  
“I’ve been a Club member since I was 6, and now I give back to the younger kids who look up to me. Next year I’ll be a freshman in college, majoring in animal sciences. I’m a little scared about my future, but much more excited!”

**Boulder E., age 13**  
**Bonnie Culpepper Scholarship Winner**  
As the Club’s first recipient of the Bonnie Culpepper Coletrain Scholarship, “Bo” knows music. “I like doing so many things at the Club, like floor hockey, ping pong and pool, but playing guitar is my thing.”

**Carly S., age 9**  
Carly cannot get enough of our fiber arts program. This year she’s busy crocheting a family of pigs for next year’s county fair. “Ms. Sue has helped me so much at the Club!” Carly plans to be an artist when she grows up.

**Jeremy L., age 8**  
Jeremy comes to the Club every day while his parents work in the food service industry. “I want to be a veterinarian some day. I want to help sharks, mostly.” Jeremy’s favorite programs are chess club and brain teasers.

**Bailey F., age 7**  
“I practically live at the Club, I like doing everything. I went on the field trip in July to see alpacas and I also go to Columbine Manor to play bingo and sing songs with my older friends there.” Bailey estimates that she has made 74 friends at the Club.

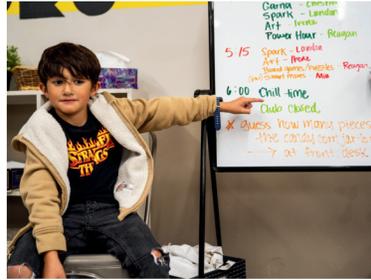

# BY THE NUMBERS

## PRIORITY OUTCOME #1 ACADEMIC SUCCESS

- 247** youth participated in STEM programs like Rocketry & Robotics
