

GREAT FUTURES START HERE.

Spring 2025

As a business leader, we invite you to become a 2025 sponsor of Boys & Girls Clubs of Chaffee County. With the support of local businesses, we have been able to serve more than 10,000 kids since opening our doors 20 years ago. This year, your business sponsorship can touch the lives of more than 980 young people and expand the outreach of the most vital youth-development organization in Chaffee County.

Through after-school and summer programs for youth ages 6 to 18, Boys & Girls Clubs aim to assure success is within reach of every young person who enters our doors by focusing on three primary areas:

- Academic success
- Character and leadership
- Healthy lifestyles

We know our Clubs make a vital difference in our community because we measure the results as shown in the attached Impact Report. And that impact is lasting. As the parent of one Club alumni wrote, "Having the Boys & Girls Club support my daughter through the years was an amazing opportunity. I credit the Club for her success in achieving her goals, helping her be the best she can be, and teaching her not to give into peer pressures around her!"

Annual sponsors can choose from four giving levels, ranging from \$500 to \$6,000. Your support will fund our Salida and Buena Vista Clubs' operations, allowing staff to deliver Gold Standard programming. Business sponsors who commit by Aug. 15 will be included in the marketing for our upcoming Great Futures Gala on Sept. 3. Benefits of sponsorship are outlined in the attached Sponsorship Form.

Your annual sponsorship will also support working parents in our area by providing a safe, affordable and enriching environment for local children and teens. Please join us in building great futures for our kids. Thank you!

Sincerely,
